Professional Summary

Results-driven Sales & Marketing professional with hands-on experience in GI Endoscopy medical devices, hospital business development, key account management, product demonstrations, tender follow-ups, distributor coordination, and revenue growth. Experienced in working with leading healthcare institutions, doctors, and purchase teams across Mumbai. Strong understanding of endoscopy consumables, capital equipment support, lead generation, negotiations, and closing deals. Skilled in building new accounts, maintaining client relationships, and achieving sales targets. Looking for growth opportunities in Medical Devices, Healthcare Sales, Business Development, Key Account Management, and Strategic Sales roles.

Experience

- 01/2022 – Present
Mumbai & Navi Mumbai

Hester Diagnostics Pvt. Ltd., Sales & Marketing Executive

 - Drove sales for GI Endoscopy and Bariatric portfolios (Boston Scientific: Wallstents, CRE halloons, SpyGlass, Advanix stents; Apollo Endosurgery: Orbera balloons, ESG systems); owned full cycle from lead generation to close.
 - Built and maintained trusted relationships with 30+ senior clinicians, gastroenterologists, and hospital administrators; acted as go-to partner for GT Endoscopy, Pulmonology, and Bariatric solutions.
 - Organized and executed 15+ workshops, product demonstrations, and CME sessions; coordinated multi-vendor logistics and stakeholder alignment to showcase device capabilities and drive adoption.
 - Executed campaigns end-to-end: quotations, purchase orders, pricing negotiations, documentation, delivery tracking, and client follow-up
 - Maintained CRM-style tracking of client interactions, pipeline status, quotations, and receivables; ensured timely reporting on key sales metrics and growth opportunities.
- 01/2023 – Present
Mumbai

WorkzApp, Founder & Marketing Lead

 - Built professional/creator network from zero via LinkedIn campaigns reaching 500+ founders, investors, and professionals; sustained 15-20% response rates through personalized messaging and value-led follow-ups.
 - Led end-to-end go-to-market experiments: content strategy, messaging frameworks, and performance tracking; iterated based on engagement and user feedback.
 - Managed stakeholder relationships with potential investors, brand partners, and advisors; delivered pitch presentations and secured multiple expressions of interest.
 - Established operations excellence: authored SOPs, workflows, templates, and process checklists; administered Google Workspace for scalable operations.
 - Developed brand voice across website, social media, email templates, and investor communications; crafted narratives tailored to diverse audiences.
 - Recruited, onboarded, and managed interns across content, outreach, and operations; implemented collaborative workflows using Notion, Trello, and Slack.

roy@workzapp.in

- Achieved consistent 15–20% response rates through personalized lead generation and targeted communication campaigns.
- Managed relationships with 30+ doctors, clinicians, hospital administrators, and purchase teams across key accounts.
- Executed 70+ product demos, workshops, and activations, increasing product awareness and stakeholder engagement.
- Built a network of 500+ founders, investors, creators, and professionals through strategic outreach and relationship-building initiatives.

Projects & Highlights

- Client Relationship Management

Built and nurtured long-term relationships with doctors, hospital administrators, and purchase teams; improved repeat business and trust-based selling.
- Market Expansion Initiative

Identified new business opportunities and entered untapped accounts/hospitals through consultative sales and persistent follow-ups.
- Event & Product Activation Management

Planned and executed workshops, demos, and activations end-to-end including logistics, stakeholder coordination, and on-ground execution.
- Sales Funnel Management

Managed lead pipeline from prospecting to quotation, follow-up, PO closure, and post-sales support using structured tracking systems.
- Customer Retention Program

Strengthened existing accounts through proactive service, regular engagement, and fast issue resolution.
- Lead Generation Campaigns

Designed and executed targeted outreach campaigns across LinkedIn and digital channels; generated qualified leads, meetings, and collaboration opportunities.

Additional
